

# **Time is a Mystery**

**Time is a mystery  
Something I cannot see;  
Good times often come and go  
but never last for ever!**

## ***Chorus***

**God was there when time began,  
Time was in God's perfect plan;  
Time will one day end for man,  
But God is there for ever.**

**Time passes far too slow  
Learning what I don't know;  
Time flies when I play, oh why  
Can't play last for ever?**

### ***Chorus***

**God was there when time began,  
Time was in God's perfect plan;  
Time will one day end for man,  
But God is there for ever.**
