

# 2024-2025 CHRISTIANS IN SCHOOLS

SERVING SCHOOLS, PARTNERING CHURCHES

At Christians in Schools, we are committed to providing EYFS/KS1 pupils with relevant, inclusive and engaging lessons that support Stockport's Agreed RE Syllabus. For each syllabus unit, we provide one lesson giving pupils an introduction to the Christian faith by building on pupils' own experiences and knowledge of the world and helping them develop positive and respectful relationships.

We can work with your local church to prepare activities for KS1 class visits which help pupils explore the signs, symbols, artefacts and actions that are found in these sacred spaces. If you have a Christian church within walking distance of your school, please get in touch!
