CHRISTIANS IN SCHOOLS

SERVING SCHOOLS, PARTNERING CHURCHES

At Christians in Schools, we are committed to providing pupils with relevant, inclusive and engaging lessons that support Stockport's Agreed RE Syllabus. For each syllabus unit, we provide lessons allowing pupils time to explore the big questions about life, to find out what Christian people believe and what difference this makes to how they live. We aim to help pupils to make sense of religion and worldviews and reflect on their own ideas and ways of living.
