

CHRISTIANS IN SCHOOLS

SERVING SCHOOLS, PARTNERING CHURCHES

We provide excellent assemblies that fit in with the national, school and Christian calendars. We aim to keep students connected to what is happening in the wider world, as well as helping them to understand how Christians use the Bible to respond to different moral situations. We are always faith sensitive, presenting our beliefs in a way that enlightens and educates. Our goal is to help students understand the core values of love, kindness and peace, all at the heart of the Christian faith. Contact teamleader.cist@gmail.com to find out more and to book us for your school.
