

CIST NOVEMBER 2025 NEWSLETTER

We have so much GOOD NEWS to share with you as we look back on our October activities and look forward to the season of Advent!

Our Black History Month assemblies were an opportunity to think about the impact people in the past have on our lives today and to celebrate the unique gifts God gives everyone that can be used to help others.

Our secondary groups continue to grow in numbers as pupils bring friends along, and we are so pleased to be working with the team at St Mary's Church, Cheadle, supporting their Connect Club in Cheadle Hulme High School.

We had a great week at All Saints Church, Marple helping the team with their annual Church Week- this year the theme was 'Global Neighbours' and all pupils from All Saints Primary got the chance to learn about God's plan for all His people and to meet Christian charities that advocate for the fair treatment of employees and fair distribution of resources.

Thank you to everyone who came to our supporters' meeting at The Coach House- it was good to see familiar faces and new supporters too! Thanks also to the fellowship at Heaton Mersey Methodist Church for inviting us to take part in their service.

Would you like to encourage your church? Well GOOD NEWS! You can now show them a little of what we do with our new 4-and-a-half-minute video of our work in schools! Perfect for a small slot in your church service, it gives your congregation lots to be thankful for and lots of things to pray for too! Alongside the video, we can provide your church with a small display stand so they can find out more about our work and how they can volunteer or partner with us, subscribe to our monthly newsletters and keep in touch!

Please get in touch at teamleader.cist@gmail.com if you would like to share the GOOD NEWS of what God is doing with your congregations!

Christmas is about sharing good news...and we want to share some GREAT news with you about the good news we will be taking into our schools.

This December, through our Christmas workshops, assemblies and clubs, we will be telling the good news of the birth of Jesus to approximately 3000 pupils! Wow!

If you would like to be a part of sharing the ultimate GOOD NEWS, why not sponsor a Christmas story session by heading over to the Stewardship website, searching for 'Christians in Schools Trust' and making a donation?
