

2024-2025 CHRISTIANS IN SCHOOLS

SERVING SCHOOLS, PARTNERING CHURCHES

Our secondary schools work is tailored to the needs of each individual school. We currently run lunch and after school clubs, provide RE lessons, class devotions and 'spaces'.

If you have an idea of how we can support your school, please get in touch and we can explore what CIST work in your school might look like.

CLUBS

KS3 & KS4

We are currently running several lunch/after-school groups in schools. These groups involve games and creative activities that explore Christian themes and life issues. Each week we have space for pupils to reflect on their ideas and they have opportunity to talk about wellbeing and community issues. There is a creative activity to encourage the pupils to process the week's themes and interact with Christian teaching.

LESSONS

We currently have a series of RE lessons prepared and can create lessons that support your schools' RE syllabus or follow a theme of interest to your pupils. If there is a question or theme you'd like us to explore with your students, just let us know!

HEAD SPACE

In a busy world, it's important to make time to reflect and re-set! Young people need time to process what's going on in the world and their own lives. Our 'Headspace' activities help pupils connect with their thoughts and feelings as they explore what makes them feel joyful, worried, sad, hopeful, encouraged, excited, fearful, forgiving etc. Headspace is a little oasis in the hustle and bustle of school life!
