

CHRISTIANS IN SCHOOLS

Lunch Clubs

At Christians in Schools, we offer several types of Lunch clubs for your students. Lunch clubs can be flexible to suit the needs of your school and students. We initially run a club for the time specified below, with possibilities to continue pending review.

Guardians of Ancora Club: Y2—Y6 (6 weeks)

The Guardians of Ancora club is a game-play club based on the Guardians of Ancora video game from Scripture Union. The game allows children to explore the world of the Bible in a fun way. In the club, students get to play the game and also explore some of what they've learnt with stories, crafts and other activities.

Worship Club: Y2 (6 weeks)

Worship club is a fun way for students to explore Christian worship. In worship club, students learn fun new songs with actions and dance moves and also learn about different worship practices inside the church.

Journaling Club: Y6 (6 weeks)

Journaling Club is a chance for Y6 students to process some of the Big Feelings they might have in their last year of primary school by scrap booking and journaling! A great club for creative students.

Faithseekers Club: KS1 (6 weeks)

In this club, students play games, learn a new Bible story every week, engage in discussion, and then do a fun craft connected to the story!
